JAYNES & CO.'S PRICE LIST OF DRUG STORE GOODS.

Including an Entirely
New and Second Series of
Menus for One Week
of each Season in the Year
1898,

WITH FULL DIRECTIONS FOR PREPARING EACH ARTICLE.

TOGETHER WITH

Additional Recipes, Beverages, etc.

COMPILED ESPECIALLY FOR THEM BY

Miss FANNIE MERRITT FARMER,
PRINCIPAL BOSTON COOKING SCHOOL.

We published last year (1897) a series of menus which we found were greatly appreciated.

We have published herein an entirely new and second series, which, if tried, will be found **valuable, useful, practical, and economical.**

If it has troubled you to know what to get for meals, keep our Cook and Menu Books, and they will save you lots of trouble.

JAYNES & CO.

In ordering goods by express or mail, please note the following instructions, to save delay :

Write name and address plainly, specifying what express, if any, is preferred.

Send money enough to fully pay charges and mailing, and if too much is received we will return balance in package.

Send money by registered letter, or P. O. or Express money order. Unless so sent we will not be responsible.

Preparations of our own manufacture sent C. O. D. Twenty-five cents will be charged for packing all goods other than our own preparations, but no charge will be made if the purchaser buys an original package or quantity as we receive it from manufacturers.

When necessary to remit coin in small amounts, cut opening in cardboard exact size of piece of money sent, and fasten it firmly by passing strong pieces of paper over each side of coin, securing ends of paper with mucilage.

We oftentimes recommend our own preparations to our customers, because we are interested to please and suit them:

Well knowing that by pleasing them we will merit a continuance of their patronage.

Oftentimes a customer is after a cure, and "in our experience," many times when he has tried variously advertised preparations without benefit he asks for some preparation, knowing nothing of its value, simply because he has heard of that one, or seen it advertised.

Now, all things considered:

Why shouldn't a customer take a preparation that is guaranteed to cure—(in case it proves unsatisfactory the purchase money will be refunded)—rather than an experiment?

You'll always find our prices as low as the lowest, and our quality the best.

We never allow ourselves to be undersold. We often reduce prices, but never mark them up.

Remember,

You can save
FROM

25 to 33 per cent

On ALL

DRUG STORE GOODS

BY BUYING
OF US.

WE are the ONLY Drug-
gists in New England
who

GUARANTEE ALL

GOODS

MANUFACTURED
By THEM to do as
REPRESENTED, or
REFUND THE PUR-
CHASE MONEY.

We are the largest Retail Druggists in New England.

We manufacture all our own preparations in our own laboratory, which covers nearly 1-4 of an acre of floor space, and is under the immediate supervision of a skilled chemist, and none but men of long experience are employed.

We buy the very best goods obtainable.

We were the first and are still the only retail druggists who can guarantee their own preparations, and they are guaranteed because we know their superiority.

Our salesmen are all experienced men, and can give you a great deal of valuable information.

We guarantee everything we sell to be exactly as represented, and will refund the purchase money if the goods are not as we guarantee.

We invite inspection and trial.

We can suit you.

We can save you two profits.

JAYNES & CO.

IF YOU Want the Best Insect Powder there is
in the United States, use

JAYNES' MAGIC INSECT POWDER,

which will KILL and is Guaranteed to Kill,
or Money Refunded.

DON'T EXPERIMENT with cheap Insect Powder because the price
is a trifle lower.

Don't fill your rooms with worthless powder only to find that it
DOES NOT KILL the bugs.

 We are the only firm in the United States who import the materials
used in the manufacture of this Insect Powder, and

ITS EQUAL CANNOT BE FOUND IN THIS COUNTRY.

 There is NO POWDER, PASTE or LIQUID that will so quickly rid
your house of WATER BUGS, ROACHES, and all Insect Pests, as JAYNES'
MAGIC INSECT POWDER.

 Don't confound THIS POWDER with Dalmatian and other Powders
usually sold; it is entirely different.

 It will KILL where others simply stupefy or drive them away for the
time being.

JAYNES' MAGIC INSECT POWDER

will not drive the Bugs from one apartment to another, or from one part of the
building to another, but drives them out and KILLS them.

 Take home a box and try it, and if it does not KILL the Bugs we will
refund the money. No one else has the confidence to do this.

 JAYNES' MAGIC INSECT POWDER is put up only in Tin Cans,
which prevents losing its strength, and is always in condition to use. It should
only be used in a Bellows, as the Dust KILLS the Bugs—they do not eat it—
and if used in this way WE WARRANT IT TO KILL, OR REFUND THE
MONEY.

 If you have been disgusted by using Insect Powders that were not satis-
factory, try

JAYNES' MAGIC INSECT POWDER,

and if it does not do the work we will REFUND THE MONEY.

 JAYNES' MAGIC INSECT POWDER is put up in four sizes, and will
be sent by express upon receipt of price, or by mail on receipt of price and
postage.

PRICES:—15c, 23c, 39c, 69c. POSTAGE:—4c, 8c, 12c, 22c.

WE ARE THE ONLY IMPORTERS OF THIS POWDER IN THE
UNITED STATES IT IS SOLD DIRECT TO THE CONSUMER ONLY
AT OUR THREE STORES.

IF IT DOES NOT KILL THE BUGS BRING BACK THE EMPTY CAN
AND GET BACK YOUR MONEY.

RECEIPTS.

BREAD AND BREAKFAST CAKES.

BAKING POWDER BISCUITS.

Mix and sift 2 cups flour, 2 teaspoons baking powder, and 1 teaspoon salt. Work in $\frac{1}{2}$ tablespoon each butter and lard with tips of fingers. Add gradually $\frac{3}{4}$ cup liquid, milk and water in equal parts. Toss on a floured board and pat and roll lightly to $\frac{1}{2}$ inch in thickness. Shape with a biscuit cutter, first dipped in flour. Place on a buttered tin, and bake in a hot oven 12 to 15 minutes.

PIN WHEEL BISCUITS.

Prepare Baking Powder Biscuit mixture, using a trifle less milk, that the mixture may be stiffer. Roll to $\frac{1}{4}$ inch thickness, brush over with melted butter, cut in halves, and roll each piece like a jelly roll. Cut off pieces $\frac{3}{4}$ inch in thickness and place on buttered tin, freshly cut surface up. Sprinkle with sugar and cinnamon mixed, and bake in a hot oven 15 minutes.

ENTIRE WHEAT BREAD.

To 1 tablespoon each shortening and sugar add $1\frac{1}{2}$ teaspoons salt and 1 cup each of boiling water and scalded milk. When lukewarm add 1 yeast cake, dissolved in $\frac{1}{4}$ cup lukewarm water; then add 1 cup white flour and enough entire wheat flour to knead, having dough as soft as can be handled. Cover, and let rise until it doubles its bulk. Shape into loaves or biscuits, cover, let rise again, and bake in a hot oven.

GRAHAM POPOVERS.

Mix $\frac{2}{3}$ cup Graham with $1\frac{1}{2}$ cups pastry flour and $\frac{1}{2}$ teaspoon salt. Pour on slowly two cups milk. Beat two eggs until very light. Add to the first mixture and beat again. Turn at once into hot buttered gem pans. Bake in a hot oven from 30 to 35 minutes.

BOSTON BROWN BREAD.

Mix and sift 1 cup each rye and Indian meal, 1 cup Graham flour, $\frac{3}{4}$ tablespoon soda and 1 teaspoon salt. Add $\frac{3}{4}$ cup molasses and 2 cups sour milk. Beat thoroughly and turn into a buttered mould. Steam $3\frac{1}{2}$ hours. This bread is very attractive for serving if steamed in a 1-lb. baking powder can 2 hours. Moulds should never be filled more than $\frac{2}{3}$ full.

OUR CONSTANT AIM IS TO PLEASE OUR CUSTOMERS.

We know this means success.

BROWN BREAD MILK TOAST.

Cut **brown bread** in $\frac{1}{3}$ -inch slices and toast. Dip in sauce and let stand until soft.

SAUCE FOR MILK TOAST.

Scald 2 cups milk. Dilute $1\frac{1}{2}$ tablespoons flour with enough cold water to make a smooth thin paste. Add to milk, stir constantly until thickened and cook in double boiler 20 minutes. Add 1 tablespoon butter and $\frac{1}{2}$ teaspoon salt.

GRIDDLE CAKES.

Mix and sift 3 cups flour, 3 teaspoons baking powder and 1 teaspoon salt. Beat 1 egg until light, add gradually $\frac{1}{4}$ cup sugar and 2 cups milk. Add to dry ingredients with 2 tablespoons melted butter. Cook on a hot, well-greased griddle.

SOUPS.

OYSTER SOUP.

Put 1 quart oysters in a colander placed over a bowl, and pour on $\frac{3}{4}$ cup cold water. Heat liquor to boiling point, strain and add oysters, which have been carefully picked over. Cook until oysters are plump. Remove oysters with a skimmer and put in a tureen with $\frac{1}{4}$ cup butter, $\frac{3}{4}$ tablespoon salt and $\frac{1}{8}$ teaspoon pepper. Add oyster liquor strained a second time and 1 quart milk which has been scalded, with 2 slices onions and 2 stalks celery. Serve with pieces of toasted bread.

SCOTCH BROTH.

Add 1 slice turnip and 2 slices onion to the liquor in which a leg of mutton was cooked, and simmer until reduced to 3 pints. Soak 1 tablespoon barley in cold water over night. Cook in boiling water until soft, then add to stock from which seasonings have been removed. Add $\frac{1}{4}$ cup each carrot and turnip, cut in very small cubes, previously cooked in boiling salted water until soft. Thicken with flour, diluted with enough cold water to pour easily. Add salt and pepper to taste.

MOCK BISQUE SOUP.

Scald 1 quart milk with 1 slice onion. Remove onion and thicken milk with $\frac{1}{4}$ cup flour, diluted with enough cold water to make a smooth thin paste. Cook in double boiler 20 minutes, stirring at first to prevent lumping. Cook $\frac{1}{2}$ can tomatoes with 1 teaspoon sugar 20 minutes; rub through a sieve, add $\frac{1}{4}$ teaspoon soda, and add slowly to thickened milk. Strain into a tureen over $\frac{1}{3}$ cup butter, $1\frac{1}{2}$ teaspoons salt, and $\frac{1}{8}$ teaspoon pepper. Serve at once, as the soup is apt to curdle.

JAYNES' CASTORMELS

A Pleasant Laxative Confection.

Each Castormel contains one teaspoonful of pure Castor Oil, compounded with other ingredients, and flavored to make it a delightful confection.

It has been acknowledged for centuries past by the most eminent authorities in Medical Science, that *Oleum Ricini*, Castor Oil, is the most thorough cathartic that can be used by the

AGED OR YOUNG IN ALL CASES.

The only reason that Castor Oil is not one of the most extensively used of medicines is on account of its nauseating and disagreeable taste.

Pills and Capsules have been offered containing Castor Oil, and professing to contain the active principle; but they all failed to do the work as satisfactorily as the clear oil.

The CASTORMELS will Immediately relieve and eventually cure the most obstinate and chronic cases of Biliousness, Constipation, Headache, Lassitude, and all troubles arising from a sluggish condition of the bowels and torpid Liver.

The use of one CASTORMEL a day will regulate the bowels.

If for a physic more should be taken. It is a HOUSEHOLD REMEDY that is indispensable.

JAYNES' PILLS

FOR KIDNEY ILLS

Are a Certain Cure for ALL DISEASES of the KIDNEYS.

It is a well-known fact that the minor Kidney diseases, if not attended to, run into Bright's Disease, the first symptoms of which can hardly be distinguished from those of other diseases. One of the most common symptoms of Kidney Disease is a deranged stomach; it is also manifested by Headache, Pain in the Back, etc.; the water is thick and discolored with a heavy red sediment, like brick dust, deposited on the bottom of the vessel, and a scum or crust on top.

All remedies should by their action assist the weak parts to throw off the secretions, which impair the healthy action of the organs and produce disease. This remedy will do that, and gradually, by no violent action, restore you to perfect health.

These Pills will cure

Inflammation of the Kidneys,

Congestion of the Kidneys,

Rheumatism of the Kidneys,

Diseases of the Bladder,

Sallow Complexion (when due to Inactive Kidneys),

Dizziness, Neuralgia, Headache, and Impure Blood (when due to Diseased Kidneys).

If you are troubled with any of these symptoms, do not wait until the organs are so weak and depleted that recovery is impossible, but at once use a box of Jaynes' Kidney Pills, and if relief is not afforded, we will refund the money, in every case where the directions are followed, if not satisfactory.

PRICE, 33 CENTS PER BOX OF 100 PILLS.

Double the quantity for the money of any other Kidney Pills sold.

Coughs, Colds, Bronchitis, Hoarseness and Asthma it is unequalled.

Regular Size, 50 Cents. Large Size, Three Times the Quantity, \$1.00.

It is acknowledged by the Leading Physicians to be a safe and reliable remedy for all Pulmonary Diseases.

WHAT IS A COLD?

SYMPTOMS: At first commonly sneezing, pain in the forehead, difficult breathing through the nose, which may develop into Influenza or La Grippe, as in the years 1832 and 1889-90, as water running from the nose and eyes and a slight discharge from the mouth and nose, gradually increasing until expectoration becomes thick and yellow. aching back, thirst and loss of appetite, chills followed by flashes of heat, and if neglected it leads to many serious troubles, as emaciation, loss of energy, chronic cough, pneumonitis and consumption.

CURE THE COLD AND PREVENT THIS.

TREATMENT: In mild cases, soak the feet in warm water; keep warm and away from a draft; and if more serious, place the patient in bed, putting bottles of hot water to the feet and sides. The patient should not venture into the open air until the unpleasant sense of chilliness, peculiar to the disease, ceases to be produced by exposure. In the meantime, use Jaynes' Balsam of Tar, carefully following directions, and if it does not cure you we will refund your money.

IT IS GUARANTEED TO CURE

Or We Will Refund the Money.

TESTIMONIALS.

Messrs. JAYNES & CO.

Last Spring while visiting in Boston a friend gave me a sample bottle of your Balsam of Tar, knowing that I was a great sufferer from Chronic Bronchitis for over five years. After coming home I tried the sample and it seemed to relieve me at once. Such relief from a sample bottle led me to try it further. I sent by express to Boston for a large bottle. I have used it, and I have not been so well as I am now any time during the past five years.

I think your medicine ought to be sold all over the country. Yours,

P. S. SHAW, So. Berwick, Maine.

Mrs. C. A. RICHARDSON, 94 Lexington St., E. Boston, says:

I highly recommend Jaynes' Balsam of Tar for coughs, colds, etc. I have used it myself and recommend it to others. Have also sent it to my brother who is in Maine, and it has cured him of a severe cold. Am perfectly willing to be interviewed on the subject, and can say that Jaynes' Balsam of Tar cannot be too highly recommended.

Messrs. JAYNES & CO.

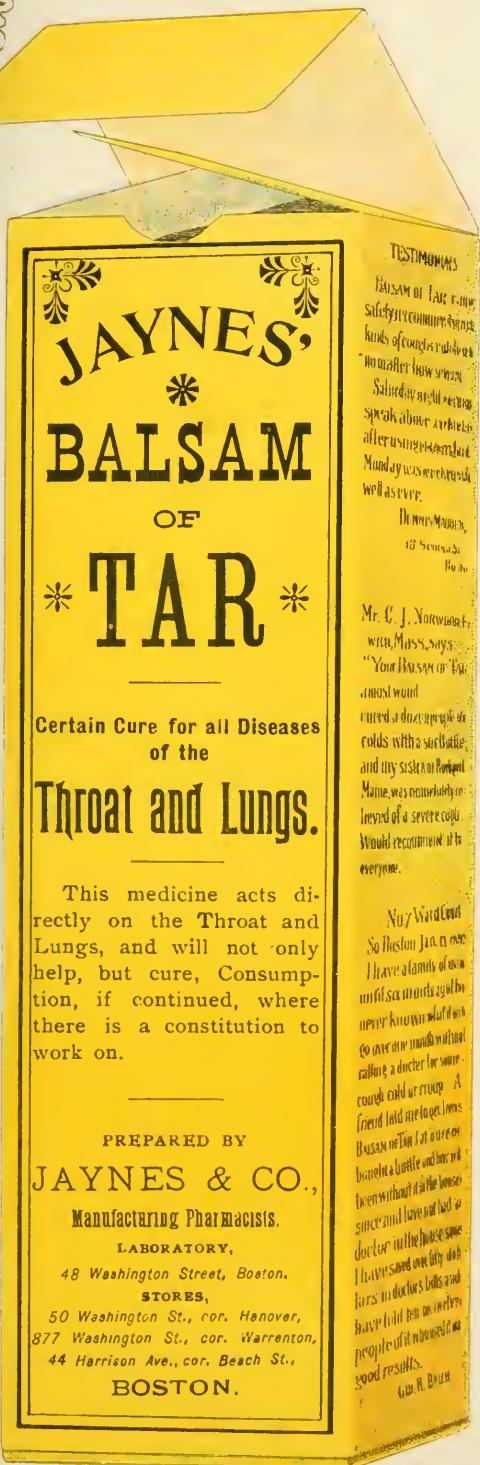

I am just out from a six weeks' sickness, caused by a severe cold and bronchial trouble. I had two doctors, but as I did not improve under their treatment, I sent for a bottle of your Balsam of Tar, and it cured me. I think it the greatest medicine on earth for coughs, colds, and bronchitis. Yours,

F. McCORMACK, 148 Putnam Street, E. Boston, Mass.

A. F. WHEELOCK, 204 Boston St., Dorchester, Mass., says:

For four (4) years I have not been without Jaynes' Balsam of Tar in the house. It is the finest medicine I have ever had any experience with for coughs and colds.

My family all use it. Would as soon think of being without flour in the house as to be without the Tar."

SCALLOPED OYSTERS.

Mix 1 cup cracker crumbs with $\frac{1}{2}$ cup stale bread crumbs. Wash 1 pint oysters, reserve liquor, heat to boiling point, strain, and add enough hot cream to make $\frac{1}{2}$ cup. In this liquid dissolve $\frac{1}{2}$ cup butter, and stir into the crumbs. Put a thin layer in the bottom of a buttered, shallow dish, cover with $\frac{1}{2}$ the oysters, and sprinkle with salt, pepper, and a very little mace. Repeat and cover with remaining mixture. Sprinkle with buttered cracker crumbs and bake in a moderate oven 30 minutes.

FINNAN HADDIE.

Put fish in a greased boiler and broil over a hot fire until brown on both sides. Remove to a baking-pan, cover with hot water and let stand 12 minutes. Drain off the water, put on a platter, spread generously with butter, and sprinkle with pepper.

FISH BALLS.

Soak codfish in cold water 20 minutes. Drain and pick into pieces. To 1 cup fish add 2 heaping cups sliced raw potatoes, cut $\frac{1}{3}$ inch in thickness. Cook in boiling water until potatoes are soft. Drain off all the water, mash in kettle in which they were cooked, and add 1 teaspoon butter, 1 egg well beaten, $\frac{1}{8}$ teaspoon pepper, and a few drops onion juice. Beat thoroughly and drop by spoonfuls into deep fat. Cook until well browned, then drain on brown paper. Avoid frying more than five at a time, as temperature of fat is too much reduced if more are added. Reheat fat between fryings.

BAKED HALIBUT.

JAYNES & CO., 50 Washington St., Boston.

Messrs.: I have been a long and awful sufferer from Indigestion and sick Headache; would be taken suddenly with dizziness and be obliged to grasp something for support or sit down until it had passed away. When the dizziness left me, then came the awful Headache and sick stomach. Have had doctor after doctor and no cure; advertised remedies I tried until I was discouraged. I always found the money in the advertising instead of in the medicine.

I used two boxes of your Dyspepsia Tablets and found relief from the first, and I can now say I am completely cured, and want everyone to know that there is a remedy for the worst case of Dyspepsia, that will cure.

Yours truly,

Mrs. ANNIE BOSSEY, 17 Davis St., Linden, Mass.

Mr. JOHN BUTLER, 11 Agrocola St., Halifax, says:

Have not been able to eat only just such food for years, and then was greatly troubled with indigestion. Have tried doctors until I was disgusted; taken patent medicine by the dozen bottles without relief. I was advised to try Jaynes' Dyspepsia Tablets by some one whom they had benefited. I bought a box. They helped me. I have used now six boxes, and can say they have cured me.

Miss MAY ELLSWORTH, 194 Harrison Ave., Boston, says:

Have tried a great many different kinds of Dyspepsia cures (so-called), and have never received any benefit until I took Jaynes' Dyspepsia Tablets.

BREADED MUTTON CHOPS.

FRICASSEED LAMB—DUMPLINGS.

Wipe 3 pounds of lamb from the fore-quarter, cut in pieces for serving. Put in a kettle containing boiling water. Add 1 onion, 1 sprig parsley, 1 slice turnip, and 4 slices carrot. Cook slowly until meat is tender. Remove meat and reduce stock to 2 cups; cool and remove fat. Sprinkle meat with salt and pepper, dredge with flour and brown in salt pork fat. Put on platter for serving and pour over

BROWN SAUCE.

Brown $1\frac{1}{2}$ tablespoons butter, add 2 tablespoons flour, and pour on slowly 1 $\frac{1}{2}$ cups reduced stock. Season with salt and pepper.

Work in 1 teaspoon shortening with tips of fingers. Add gradually $\frac{7}{8}$ cup milk. Drop by spoonfuls on a buttered steamer, cover closely and steam 13 minutes.

LARDED GROUSE—BREAD SAUCE.

Remove wings and feet and clean grouse. Draw off the skin covering the breast. From a firm piece of fat salt pork remove the rind. The pork lying between the rind and vein is the part suitable for larding. Cut this part in slices $\frac{1}{4}$ inch in thickness. Cut slices in strips $\frac{1}{4}$ inch in width and $2\frac{1}{4}$ inches in length. Draw these pieces (lardoons) through flesh of bird in parallel rows on either side of breast bone 1 inch apart. Truss bird. Place a thin slice of fat pork on a round tin plate. Put bird on pork, and put trimmings of pork in pan. Sprinkle with salt and pepper, brush over with melted butter, and dredge with flour. Bake in a hot oven 25 minutes, basting every 8 minutes with fat in pan. Serve with

Jaynes' Children's Cough and Croup Syrup.

This Cough Syrup is prepared especially for CHILDREN, and is intended to take the place of the stronger preparations commonly sold.

IF IT DOES NOT DO THE WORK WE REFUND THE MONEY.

PRICE, 35 and 70 Cents.

THOS. RYAN, 23 Merriam St., Somerville, Mass., says:

Have given my three children Jaynes' Emulsion Cod Liver Oil, and have been greatly pleased with the result. They have all been greatly benefited by its use, and are now strong and healthy.

JAYNES' SOLUTION CITRATE OF MAGNESIA.

This Refrigerant and Laxative preparation is well known as an agreeable substitute for Epsom Salts, Seidlitz Powders, and the Saline Cathartics generally used. We make it in small quantities; for if it stands any length of time it deposits an insoluble precipitate, undergoing a change which impairs its medicinal effects. Price, per bottle, 20 cents.

GENTS : I wish to testify to the good your Blood and Nerve Tonic has done for my wife in a case of nervous exhaustion. It has done what the other so-called nerve remedies did not do.

I gave most all of them a fair trial before using Jaynes' Blood and Nerve Tonic.

I found this the best, in fact the only one that gave satisfactory results.

It does all you claim for it.

I can and do most heartily indorse it as a thorough treatment in any case of Nervous Debility.

It is rightly named, Blood and Nerve Tonic. Most truly yours,

J. W. DAY, 98 Henry Ave., Lynn, Mass.

MESSES, JAYNES & CO.

DEAR SIRS : I wish to tell you what your Blood and Nerve Tonic has done for me. I am a nurse, and was completely tired out and rundown when I came to your store for some medicine. I told your clerk that I had used several of the celebrated nerve tonics, which only restored me for the time while I was using them. He told me that he had a medicine that would do more than that, and recommended to me your Blood and Nerve Tonic, which I tried with very satisfactory results. I have not felt so well as I do now for a long time, and I shall recommend it to all whom I meet who need a first-class Nerve and Blood medicine.

Yours,

Mrs. J. A. SANFORD, 258 Broadway, Somerville, Mass.

We keep Dalmatian and all grades of Insect Powders,

JAYNES & CO., BOSTON :

It may be of some good to you, as well as to some of your many patrons, to know of the good you are doing with the medicines you compound in your own Laboratory. I have had such good results from the use of ONE BOTTLE of JAYNES' SARSAPARILLA with Iodine of Potassium, that I want to write and tell you about it : I have for a long time been troubled with Scrofulous Swelling of the Glands of the Neck and under the Arms, at times very painful and always disfiguring. One bottle of JAYNES' SARSAPARILLA, COMBINED WITH IODIDE OF POTASSIUM, very nearly removed them in both places.

Yours respectfully,

E. BRISSON, 53 CARROLL ST., CHELSEA, MASS.

Mrs. COLBATH, of 159 Bridge Street, East Cambridge, says that Jaynes' Sarsaparilla has done her a great service in eradicating blood-poisoning which she accidentally contracted in her foot. She was suffering greatly when her husband brought home a bottle of the Sarsaparilla, and was very much pleased to find after taking it for a day or two that the painful symptoms were subsiding. As she persisted in its use she found that her general health became very much improved and all traces of the blood-poisoning disappeared. She has taken four bottles in all, and is now in perfect health and spirits.

Our aim is Purity and Excellence in every detail.

It is a well-known fact that those people who are obliged to be upon their feet for the greater part of the day are more or less subject to

KIDNEY TROUBLE.

This is manifested by deranged stomach, headache, pain in the back; the water is thick and discolored, with a heavy, red sediment like brick dust deposited on the bottom of the vessel, and a scum or crust on top.

Chronic Inflammation of the Liver

is indicated by dull, heavy pain in the right side and under the right shoulder blade, tenderness at the pit of the stomach, dispesia, jaundice, loss of appetite, sallow complexion, low spirits, costive at times, and at times diarrhoea, clay-colored stools, palpitation of the heart, nervousness, cold feet and hands, pulse slow and full.

If you are troubled with any of these symptoms, **DON'T WAIT**, but purchase

one of

Dr. Mouret's Electro-Galvanic Belts

which combines the two great elements of Magnetism and Galvanism. The transmission of the electric current quickens the circulation, imparts renewed vitality to the whole system, expells the impurities in the blood, and removes the causes of disease.

OUR AIM IS PURITY AND EXCELLENCE IN EVERY DETAIL.

JOSEPH CHARBOTT, 1 Chapel Place, City, says:

I am a painter by trade, and about a year ago was compelled to give up my work on account of rheumatism. I went to the hospital, and paid out over \$600 to doctors, but did not get any better. My wife went into your store one evening and bought me a large bottle of your Blood and Nerve Tonic. I was induced by her (much against my will) to try it. It helped me from the very first, and before I had finished the bottle I was entirely cured. I consider it also a wonderful remedy as a Nerve Tonic. Have recommended it to a great many people.

Price, 35 and 60 cents.

F. H. THAYER, Cor. Union & Middle Sts., E. Braintree, Mass., says:

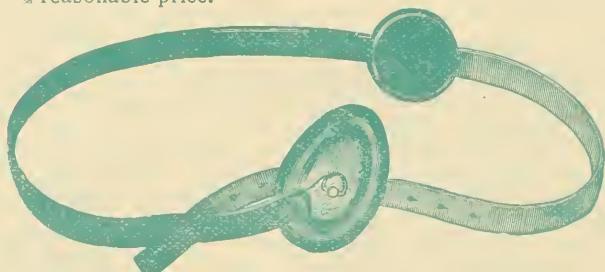

I take pleasure in recommending Jaynes' Asthma Cure. My mother, Mrs. Delia Thayer, a lady eighty-one years old, has been troubled for a long time with asthma so bad that she could not rest nights. Having tried a great many so-called Asthma Cures was induced finally to use yours. Two boxes and a half cured her, and she has had one-half box in the house for a long time but has not had to use it.

Mr. N. E. YOUNG, Cohasset, Mass., says:

I have been troubled with Asthma since boyhood, developing from a case of Phthisis. After trying all manner of cures, besides travelling to California, also the Sandwich Islands, with no permanent benefit, I tried Jaynes' Asthma cure, and am now completely rid of the trouble and use nothing whatever.

You wear a TRUSS

And when you were fitted to it you had to pay **A HIGH PRICE**. **Don't do it again.** When you renew the old one, come and get our prices and be fitted to a good truss at a reasonable price.

**OUR Truss
Department.**

We make a specialty of the mechanical treatment of Rupture. Our truss department is one of the *most complete in New England*, and is in charge of persons who have made rupture and its treatment a study for years, and who are *thoroughly competent in the fitting of trusses*. We guarantee perfect satisfaction, and will refund the money in case we are not successful in perfectly holding the rupture with ease and comfort to the patient. Our prices are from *33 per cent to 50 per cent less than are commonly asked*.

If you are a sufferer from this most unfortunate affliction, you will surely profit by a consultation with our specialists in this department.

HERNIA (Rupture). ITS TREATMENT.

Hernia is the protrusion of any viscous from its normal cavity. The form of hernia to which we wish to call attention is that most commonly known, when a part of the contents of the abdominal cavity protrudes through some weak part in the abdominal wall. The common situations are the groin (inguinal hernia), upper part of the thigh (femoral hernia), and the umbilicus or naval (umbilical hernia). The exciting cause of hernia is generally some strain or overexertion in any powerful effort, as lifting a heavy weight, or in consequence of constipation or excessive coughing. A person afflicted with hernia should not neglect proper treatment for a day. The best authorities agree that the most rational and successful treatment is a properly fitted truss.

Our truss department is most complete. Our specialists in charge have had years of experience, and are exceptionally competent to attend to this branch of our business. We have made a radical reform in the prices for trusses and their application, and we can save you from 33 to 50 per cent from prices usually asked, and guarantee perfect satisfaction.

Remember we are the lowest priced Druggists in New England.

TESTIMONIALS.

Mr. THOMAS PUNCHARD, 5 Keiffer Court, Brookline, Mass., says:

Two years ago I was troubled by a slight, persistent cough that quickly developed to a very bad one. It settled upon my lungs, caused loss of appetite, and so wrecked my nervous force I could no obtain restful sleep. A friend advised the use of Hydroline. I used it until a nightmare of empty bottles collected about the house; nearly two years had elapsed and my health as bad as its worst. At the time I came to your store for another bottle a clerk advised that I try your EMULSION, and I reluctantly took one bottle of it.

THAT ONE BOTTLE HAS CURED ME.

It has done what a two years' treatment of advertised remedies could not do. I cannot praise it too highly.

Mr. P. R. ANDREWS, of 37 A Street, Boston, says:

I had a very severe cold on my lungs, and I couldn't find anything to help me until one day I was recommended to try a bottle of Jaynes' Emulsion of Cod Liver Oil, and upon using one bottle I felt greatly relieved, and I was very much surprised, upon weighing myself, to find that I had gained ten pounds, and I cheerfully recommend it to any one who is suffering with lung trouble.

Messrs. JAYNES & Co., Boston, Mass.

GENTLEMEN: Enclosed find postal note for \$3, for which please send by express to above address six bottles of your Emulsion of Cod Liver Oil, etc. I am unable to get it anywhere about here, and like your emulsion better than any I have ever tried; so I order six bottles, as it would hardly pay to express a less quantity.

Respectfully yours, W. C. ANDREWS, De Leon Springs, Fla.

THOS. RYAN, 23 Merriam St., Somerville, Mass., says:

I have given my three children Jaynes' Emulsion Cod Liver Oil, and have been greatly pleased with the result. They have all been greatly benefited by its use, and are now strong and healthy.
